

ALULINE MULTISPORT POSTS

MODEL
VBAL

Unlock a variety of sports with just one pair of posts.

- ▶ Custom Aluline extrusion, proudly made in Australia
- ▶ Reinforced 14mm structural alloy
- ▶ Net pre-tensioner for easier installation
- ▶ Linear tensioner with removable handle
- ▶ Lightweight design at just 12kg, 50% lighter than traditional steel posts
- ▶ End caps that protect both the court surface and staff
- ▶ Net adjusts to any height between senior volleyball to tennis
- ▶ Cost-effective and easy to handle, the Aluline system replaces heavy, inflexible steel posts with a practical, lightweight alternative
- ▶ Can be used for Volleyball, Fistball, Badminton, Newcombeball, Sepak Takraw & modified Tennis - ideal for schools and multisport applications
- ▶ Supplied in pairs, and a common centre post option is available
- ▶ Nets, antennae, post pads, storage trolleys and referee stands are also available as required
