## **TENNIS**

**MOBILE TENNIS POSTS** 

MODEL

A professional-grade mobile tennis net system on wheels, designed to maximise flexibility of multi-sport courts.

- Manufacturer from heavy duty steel with a durable black powder-coated finish.
- ▶ Full post-to-post regulation net with top cable path for proper net alignment
- > Integrated weight system ensures optimal net tension without lifting or shifting
- ▶ End stamps elevate posts to regulation height, enhance stability during play, and evenly distribute load
- Easy to move and position, ideal for shared-use or multi-court facilities

System: Tennis
