

DOMINATOR BASKETBALL SYSTEM

A premium basketball backstop perfect for home and primary school use at a budget price. Includes many features similar to the professional units and comes complete with a 2 year warranty.

Features include:

- Variable height from 3050 - 2280mm thanks to large actuator for effortless adjustment.
- 100mm heavy duty square powder coated steel posts for rugged treatment and maximum stability.
- Specially formed arms for maximum strength.
- 600mm clearance between post and backboard.
- 1200 x 800mm transparent backboard attached to a steel frame for additional strength and safety.
- Backboard includes target square and lines so you can "play like the pros".
- Heavy duty outdoor spring loaded ring suited for institutional use.
- Flat pack design for ease of transport and lower cost outlay.

Full size backboard and safety padding kit upgrades available on request.

Designed for static installation only, for sleeved systems see the **BBJAM** or **BNB24** systems. Other models also available in this range are the **ULTRA** and the **PRO**.
