

NAUTRONIC SHOT SYSTEMS

Highest quality shot clocks, wirelessly controlled to save installation costs.

Made from a custom aluminium chassis with plexiglass front cover tested to DIN 18032-2 ball impact standards.

Supplied synchronised with main scoreboard, or available as stand alone systems.

Systems include a loud horn with auto cut-out to prevent burnout.

Wireless connectivity standard on all systems.

Shotclock controller included with our range connects to the Naucon 1000 Wireless Touchscreen Controller
