

GO-COURT PORTABLE VOLLEYBALL

The HiTech Sports Go-Court Portable Volleyball System is a sleeveless and portable volleyball system that eliminates the need to drill and install sleeves into your gym floor as it is free standing and self weighted.

This innovative design allows you to easily wheel your entire system in and out of the way of other court activities in just minutes.

Features include:

- Lightweight Aluminium Uprights on Portable Base
- Competition Net
- Padded Referee Stand
- Pair of Antennas and Sideline Markers
- Competition Net
- Available in One and Two-Court Systems

Padding Removed
