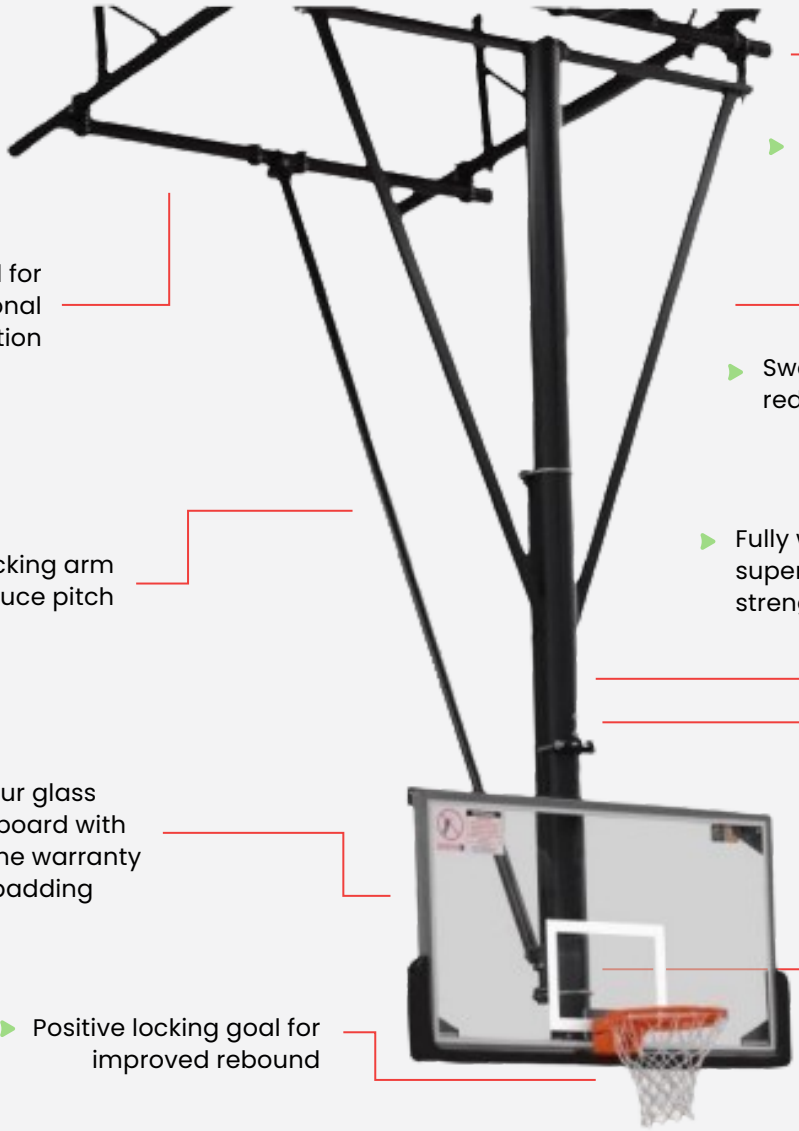
HiTECHSPORTS pty ltd

STADIA ROOF MOUNTED BACKSTOP

MODEL
BBSTR



- Offset weight lock for rigidity
- FIBA level 2 certified for use in international competition
- Sway braces to reduce yaw
- Auxiliary locking arm to reduce pitch
- Fully welded superstructure for strength
- Armour glass backboard with lifetime warranty and padding
- Oversized main mast in a range of colours
- Positive locking goal for improved rebound
- Universal height adjustable backboard option

⚠ Please note custom configurations require longer lead times and additional costs and all installations require structural steel beams to already be in place.

System: Basketball
