BADMINTON

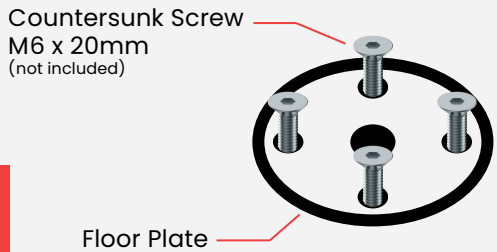
HiTECHSPORTS pty ltd

ESSENTIAL BADMINTON SYSTEM

MODEL
BMEST

The Essentials T-Base Badminton System redefines the T-Base concept with a hinged design that folds flat for easy transport and storage.

- Non-marking wheels allow for smooth tilt and roll deployment for quick setup and pack-down
- Posts constructed from a heavy-duty steel with a durable red powder-coated finish
- Lightweight enough to be carried in one hand for easy handling
- Threaded bolt floor plate connection provides superior stability and security
- Full competition net tensioning for professional-level performance
- Supplied flat-packed with floor lockdowns for a secure and hassle-free installation
- Nets and post padding available on request



System: Badminton
