

ESSENTIALS PROTECTIVE WALL PADS

Wall padding has become an important protective measure in facilities around the world, and our range of systems is intended to give options to facility owners and designers to meet their specific needs.

Essentials Pads (WPES)

- Intermediate pad using re-bonded PU foam 50mm thick.
- Rip stop vinyl cover for low abrasion in impact and ease of cleaning.
- Timber backing for strength and no-sag longevity.
- Range of recessed mounting options - concealed nail, screw or removable on channels.
- 1800 x 600mm standard size.
- Can also have custom sizes and fitted corners made on request.

System: Padding
