

Technical Data Sheet - ALMG Hold Down Positions

Front (court) side

Back of Goal

The floor anchors for ALMG goals are screwed into the court surface for the following locations indicated above.

For compliance to DIN regulations, 4 floor plates per goal is required. It is strongly recommended a minimum of 2 anchors per goal are used.

If only using two then use the rear positions 707mm back from the front of the goal.

System: Futsal
Product Code: ALMG
