

Essentials Player Shelter

The Essentials Player Shelter is a durable modular system designed for permanent or mobile deployment around sports fields.

Made from strong but non-rust aluminium, the system has been tested to withstand high loads, and is finished with a durable polycarbonate cladding (available in cloud or green).

The frame comes with a silver finish but can also be powder coated on request.

The system is available in 1 m increments to suit up to 12 players.

System:	Player Shelters
Product Code:	PSES
Related Product:	PSAL, Hockey, Football, Rugby, AFL

Revision 2.0 07/03/2014
