

HOCKEY SIDE BOARDS

Hockey side boards ideal for indoor competition, modified outdoor games and training.

- Angled timber sides to keep ball on surface after impact complies with Indoor Hockey Regulations.
- White painted finish.
- Steel core for superior ball rebound, stability and rigidity.
- Supplied in 2m interlocking sections, and ends made to order.
- Interlocking design provides complete mobility as ground anchors are not required.
- Storage trolleys also available for quick set and strike.
- Double sided playability to increase the lifespan of the boards.

System: Hockey
Product Code: HOC SB
