

NAUTRONIC NG280 BACKBOARD LIGHTING

The NG280 is a set of LED backboard lights which visualises the end of period and shot time in Basketball by lighting up.

- Red perimeter lights for end of Period
- Yellow strip for end of Shot Time

The NG280 system consists of self-adhesive LED strips in two various lengths which are easily mounted onto the back of our glass backboards.

The NG280 must be connected to a Nautronic Shotclock (24 sec).

The NG280 is the latest upgrade to meet new and current rules and as required for all FIBA Level 1 & 2 competitions.
