

ESSENTIAL SCORERS BENCHES

The SBST18 scorebenches come with full removable padding in a range of colours as standard. Custom graphic's are available if required and subject to added costs depending on size, colours etc.

The padding includes the front, sides and leading edge of the bench providing protection from all 4 sides for players. The standard width of 1800mm comfortably accommodates 3 people. The 600mm depth allows for narrow court clearance.

Benches can also be joined to provide a larger competition bench of required to accommodate 6 people.

The benches provided with locking wheels for easy one person roll in/out from storage and folds flat to nest in with other benches for compact storage.

System: Essential Scorers Benches
