ESSENTIALS FIBREGLASS BACKBOARD

MODEL
BBESBOARD

The Essentials Basketball Backboard can be used on FIBA 3 certified systems and is suitable for indoor and outdoor installation.

- Manufactured from high tensile moulded fibreglass and finished with a hard wearing gel coating
- Improved durability compared to timber backboards, impervious to water, delamination and splinter resistant
- 50 mm thick reinforced design for superior consistent rebound
- Direct ferrule connection through rear of board, and no bolts on the front face
- Heavy duty metal goal mounting plate to distribute dunk loads on impact

System: Basketball
Product Code: BBESBOARD
Related Products: BBESR BBESW BNB24 BB18
