Naucon 1000 Controller

A revolutionary innovation specifically developed for Nautronic's latest generation scoreboards to make them easier to operate and maintain.

- 5.7" colour touch screen
- Self-test on start and quick operation speeds.
- Self diagnostic software
- Ability to export game results by USB

Wireless Connectivity

Wireless operation to reduce installation costs and wire damage issues.

SMD LED's

SMD LED technology used for maximum energy efficiency. Digits have up to 338 diodes for a brighter display, and 170° viewing. SMD LED's retain brightness longer than older LED's and have a 10 year warranty.

Ease of Access

Scoreboards have easy front access to all internal workings.

Easy Software Update

Software can be easily uploaded without the need for a technician, or return to the factory. Rules can be updated with no down time.
