HiTech Sports supplies custom post padding for a variety of environments including schools, childcare centres, sporting facilities, and commercial spaces.

We offer two tyles:

- **Cylindrical Pads:** Designed for a premium snug fit, these can be easily removed, reinstalled, and stored, making them perfect for sports clubs and multi-use venues.

All padding is made to fit your post dimensions, featuring:

- A durable, reinforced PVC outer available in a wide range of colours (see colour swatches page)
- A premium quality, Australian-made, eco-friendly open-cell foam core
- 50mm Velcro running top to bottom for secure fastening
- Optional fixing including D-rings, eyelets, and tabs

Custom digital printing is also available for a product catalogue, web description, or visual layout.
